RESPONSE TO RESTRICTION REQUIREMENT AND AMENDMENT

U.S. Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202

Dear Examiner Schnizer:

RESTRICTION REQUIREMENT

In response to the September 10, 2001, Restriction Requirement in the above-identified application, Applicants elect with traverse Group II, claims 10-11, 20, 25, 26, and 30 drawn to polypeptides and kit comprising the polypeptides. In response to the sequence election requirement, Applicants respectfully submit that it would not be burdensome to examine SEQ ID NOs: 4 and 9, as SEQ ID NO: 4 is the full-length protein and SEQ ID NO: 9 is a component thereof (SEQ ID NO: 9 is the mature protein). Thus, a search conducted on SEQ ID NO: 4, would encompass SEQ ID NO: 9.

If the Examiner still believes a restriction is proper, Applicants elect SEQ ID NO: 4. Applicants make this election without prejudice to pursuing non-elected subject matter in later applications.
